Tony Gambone is the founder and creator of Tough Talk Radio Network. He spent a significant number of his adult years working the casino business in Las Vegas, Nevada along with Louisiana, Mississippi, and other states where gambling is legal. Tony began speaking about and selling professional services. Explaining to others how to follow his lead, Tony became involved in the networking industry in the greater Houston area. His tough style and generous spirit quickly garnered recognition in this competitive arena.

## People are Raving

*Tony's unique and no-nonsense delivery not only holds an audiences attention, but endear the audience to Tony. Uniquely, Tony's audience always wants more. For those of us who publically speak, Tony's spellbinding delivery and message resonate with many diverse groups, this is unique and enviable.*
